SUMMARY

Motivated and detail-oriented fresher with hands-on experience developing web applications using Python, Django, HTML, CSS, JavaScript, Bootstrap, and SQLite. Experienced in building CRUD-based applications, responsive web interfaces, form handling, database operations, and client-side functionality. Seeking an entry-level Python/Django or Web Developer role to apply technical skills and contribute to real-world projects.

SKILLS

Technical Skills	Python, Django, HTML, CSS, JavaScript, Bootstrap, SQLite
Core Skills	CRUD Operations, Django Models, ModelForms, Django ORM, Responsive Web Design, DOM Manipulation, Form Validation
Soft Skills	Problem Solving, Communication

PROJECTS

Employee Management System

Tech Stack: Python, Django, HTML, CSS, Bootstrap, SQLite, Git ,GitHub

Built a role-based Django web application with custom authentication, authorization, CRUD, Django ORM, database relationships, forms, file uploads, and responsive UI, covering employee management, leave, reports, payroll, insurance, payments, and notifications.

Critic Mike

Tech Stack: Python, Django, HTML, CSS, Bootstrap, SQLite, Git ,GitHub

Developed a role-based Django web application for reporting and tracking civilian problems, with Admin, Department Staff, and Civilian workflows. Implemented authentication, CRUD operations, problem assignment, status tracking, image uploads, and role-based access control using Python and Django.

Vehicle Rental Management System

Tech Stack: Python, Django, HTML, CSS, Bootstrap, SQLite, Git ,GitHub

Developed a web-based Vehicle Rental Management System using Python and Django, with features including user registration, login/logout, vehicle listing, vehicle rental booking, and authentication-based access control. Implemented database models and relationships using Django ORM, along with CRUD operations and Django forms for managing vehicles and bookings.

ToDo Management System

Tech Stack: Python, Django, HTML, CSS, Bootstrap, SQLite.

Built a CRUD-based ToDo web application using Python and Django. Implemented create, update, delete, and view functionality using Django Models and ModelForms. Used Django ORM and SQLite for database management and task persistence. Developed a responsive user interface using HTML, CSS, and Bootstrap.

EDUCATION

2026 – Present	Bachelor of Business Administration (BBA) at Indira Gandhi National Open University (IGNOU)	
2023 – 2025	Diploma in Mechanical Engineering at PA Aziz College	(GPA: 6.86/10)
